
Ambulatory Care Practice: Demonstrating Success

Planned in cooperation with the ASHP Foundation and ASHP Section of Ambulatory Care Practitioners

ACPE Activity Number: 0204-9999-15-022-L04-P

Activity Date: October 1, 2015

Activity Type: Knowledge-based

CE Credits: 1.5 hours (*no partial credit*)

Activity Fee: Free of charge

Accreditation for Pharmacists

The American Society of Health-System Pharmacists is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

Target Audience

This continuing pharmacy education activity is designed for pharmacists in the ambulatory care setting.

Activity Overview

This activity provides an overview of how ambulatory care pharmacists demonstrate success in different environments and how success is viewed by various stakeholders. Two successful practice models are discussed in their development and sustainability.

Learning Objectives

After participating in this CPE activity, participants should be able to:

- Describe sustainable practice models that demonstrate value to stakeholders.
- Identify specific outcomes in ambulatory pharmacy practice that contribute to improved care delivery.
- Discuss opportunities for advancing ambulatory pharmacy practice across different practice settings.

Schedule of Educational Activities

- Practice models to demonstrate value to stakeholders with sustainability
- Outcomes that contribute to improved delivery of patient care
- Methods to advance ambulatory pharmacy practice across practice settings

Faculty Information
