

**Kristy Butler, PharmD, BCPS, BCACP, FASHP, FOSHP**

Dr. Butler is the Manager of Clinical Pharmacy Specialists for Providence Medical Group, Oregon Region, where she manages 16 Clinical Pharmacy Specialists in Primary Care, 3 PGY2 Ambulatory Care residents and 2 support staff. She previously practiced as a Clinical Pharmacy Specialist in Primary Care with PMG and at Oregon Health & Science University (OHSU) Internal Medicine Clinic. She received her B.S. in Pharmacy from Oregon State University (OSU), and her PharmD from OSU/OHSU. She completed a specialty residency in Primary Care through Providence Health & Services in Portland, OR and is board certified in Pharmacotherapy and Ambulatory Care.

Kristy is a Past-President of the Oregon Society of Health-System Pharmacists (OSHP), and an active member of ASHP, having served as chair of the Council on Public Policy and a member of the Ambulatory Care Conference & Summit's Consensus Recommendations Panel. She is currently the Chair-elect of the Section of Ambulatory Care Practitioners and the ASHP representative to The Joint Commission's Professional and Technical Advisory Committee on Ambulatory Care. She is a Fellow of ASHP and OSHP, a past OSHP Pharmacy Practitioner of the Year, and received OSU College of Pharmacy's inaugural Outstanding Young Alumni Award in 2013.
