

Toni Fera, BS Pharm, PharmD

Toni Fera, BS Pharm, PharmD, is an independent healthcare consultant who has provided consulting services to health systems, pharmacies, and non-profit organizations for more than 10 years. She serves as Accountable Care Consultant for the Pittsburgh Regional Health Initiative, and is Senior Consultant for American Pharmacotherapy, LLC. She was formerly the Senior Director for Patient Self-Management Programs with the American Pharmacists Association Foundation, coordinating implementation of the Diabetes Ten City Challenge, a national demonstration project.

Prior to consulting, Dr. Fera served as the Senior Director, Pharmacy Services, at Allegheny General Hospital in Pittsburgh, Pennsylvania. She was also Director of an ASHP-accredited residency program, as well as adjunct clinical faculty and a member of the Dean's Advisory Council with the Duquesne University School of Pharmacy. Dr. Fera received her B.S. Pharm. and Pharm.D. degrees from the Duquesne University School of Pharmacy, and completed an ASHP-accredited Residency in Hospital Pharmacy at the Mercy Hospital of Pittsburgh. She is a Past-President of the Pennsylvania Society of Health-system Pharmacists, and recently served on the ASHP Ambulatory Care Pharmacy Practice Model Initiative Consensus Task Force.
