

Our Mission:

The mission of the ASHP Foundation is to improve the health & well-being of patients through appropriate, safe & effective medication use.

The Challenge

Adverse drug events result in

700,000

emergency department visits &

120,000

avoidable hospitalizations
medication errors are the cause of

200,000

preventable deaths annually

Our Solutions

The ASHP Foundation knows that patient outcomes improve because of the leadership & clinical skills of pharmacists. We support them by offering:

12

Leadership programs

10

Residency expansion grants
Free online practice tools

5

Clinical traineeships
Research grant programs

3

Awards programs
