

Dear Readers,

For many years, you have received an ASHP Foundation newsletter in your mailboxes three times a year. The time has come to retire our print publication. Now, in addition to the monthly [ASHP Foundation E-news](#), which gives you the most up-to-date information about the Foundation's active programs, you will periodically receive [ASHP Foundation Impact](#) by e-mail. This publication will bring you more stories about the impact of our journey to foster safe and effective medication use.

This is the first issue of *Impact*. We hope you will enjoy reading more about our work and will feel inspired to support or continue to support the [ASHP Foundation!](#)

Sincerely,

Stephen J. Allen
Executive Vice President & CEO
