### Invited Residency Site Information

**Please Note:** In order to reach most residents possible, one of the areas of priority reviewed is the number of residents attending the visit, with 20 residents as the preferred minimum. We encourage host sites to invite residency programs within their geographical proximity to participate in the visit, increasing the number of residents being reached.

This section allows you to provide information for the residency programs invited to participate in the visit. If you have additional invited sites to include, click "next" and complete the next section. If you do not have additional sites, you may skip by continuing to click "next" or by clicking the "Faculty Outreach" link in the left-hand toolbar.
