

OUR MISSION

Improve the health and well-being of patients through appropriate, safe, and effective medication use.

THE CHALLENGE

ADVERSE drug events result in
700,000
emergency department visits and
120,000
AVOIDABLE hospitalizations.

Medication errors are the cause of
200,000
PREVENTABLE deaths annually.

OUR SOLUTIONS

The ASHP Foundation knows that patient outcomes improve because of the leadership and clinical skills of pharmacists. We support them by offering:
