Disclosures *(optional on this document)*

In accordance with the Accreditation Council for Continuing Medical Education's Standards for Commercial Support and the Accreditation Council for Pharmacy Education's Standards for Commercial Support, anyone in a position to control the content of an educational activity is required to disclose to the accredited provider their relevant financial relationships. An individual has a relevant financial relationship if he or she (or spouse/domestic partner) has a financial relationship in any amount occurring in the past 12 months with a commercial interest whose products or services are discussed in the activity content over which the individual has control. In accordance with these Standards, all potential conflicts of interest have been resolved.

As defined by ACCME, a commercial interest is any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients. The Standards for Commercial Support do not consider providers of clinical service directly to patients to be commercial interests. The existence or non-existence of relevant financial relationships will be disclosed to the activity audience.

All planners, program chairs, presenters, reviewers and ASHP staff report no financial relationships relevant to this activity.

Methods and CE Requirements

This live webinar activity consists of faculty slides presentations, active learning activities, discussion, and handouts. Participants must participate in the entire activity to get the Attendance Code to claim continuing pharmacy education credit online at the ASHP eLearning Portal. Follow the prompts to complete the evaluation, claim credit, and view the statement of credit immediately after the activity within 60 days of the activity, but no later than **June 29, 2020**.

Important Note – ACPE 60 Day Deadline:

Per ACPE requirements, CPE credit must be claimed within 60 days of being earned. To verify that you have completed the required steps and to ensure your credits have been reported to CPE Monitor, check your NABP eProfile account to validate that your credits were transferred successfully before the ACPE 60-day deadline. After the 60 day deadline, ASHP will no longer be able to award credit for this activity.
