

PHARMACY RESIDENCY EXPANSION GRANT SPONSORSHIP PROPOSAL

OVERVIEW

The ASHP Foundation Pharmacy Residency Expansion Grant provides \$25,000 stipends to institutions to supplement the cost of a new Post-Graduate Year-1 (PGY1) or Post-Graduate Year-2 (PGY2) residency position.

Residency training enhances knowledge and competencies that better prepare pharmacists to provide direct patient care or lead in areas such as informatics, pharmacogenomics, and health-system administration. This program is intended to help fill the gap between the number of pharmacists seeking residency training and the number of training opportunities available.

We invite you to partner with the ASHP Foundation by supporting this critical grant program.
