

# PROGRAM & AWARD SUPPORT OPPORTUNITIES

*Working together to advance pharmacy practice to ensure the optimal, safe, and effective use of medications*

## THE ASHP FOUNDATION

As the philanthropic arm of the 60,000+ member American Society of Health-System Pharmacists (ASHP), the ASHP Foundation is a 501(c)3 charitable, not-for-profit organization, and we share ASHP's vision that medication use will be optimal, safe, and effective for all people at all times.

## OUR MISSION

Our mission is to support ASHP by advancing the professional practice of pharmacists and the pharmacy workforce by funding research and education that improves health outcomes through optimal, safe, and effective medication use.

## RESEARCH GRANTS | LEADERSHIP DEVELOPMENT | AWARDS

Through a diverse range of programs that are generously supported by individual and corporate donors, we fulfill our mission by providing pharmacists and the pharmacy workforce with opportunities to pursue health services research, develop leadership skills, and recognize excellence in practice and research — all in support of improving public health and patient safety.

## BENEFITS

All benefit packages are designed to increase the visibility of your company through comprehensive recognition opportunities across ASHP and ASHP Foundation digital and printed communications throughout the program or event cycle to 60,000+ ASHP members and donors.

The recognition benefits include, but are not limited to, the following:

- ASHP Foundation website and social media program promotions, including logo and link to supporter's websites (when applicable)
- ASHP Foundation monthly eNewsletters and quarterly Corporate Partners Updates promotions, including company logo and link to supporter's website
- Recognition in promotional ASHP Foundation emails to ASHP members
- Recognition in applicable ASHP eNewsletters and ASHP Section/Forum eNewsletters
- Company name and logo in recognition signage in ASHP Foundation exhibit area at the ASHP Summer Meetings and the Midyear Clinical Meeting & Exhibition
- Company name and logo in recognition signage at ASHP Foundation events during the ASHP Summer Meetings and the Midyear Clinical Meeting & Exhibition (when applicable)
- Prominent recognition in the ASHP Foundation announcement of the awardees to the corporate community and ASHP members (when applicable)
- Prominent recognition during all awardee dissemination activities (when applicable)

Additional benefits may be available for specific programs and events. Please contact us for more information.

Below are high-level insights on the audience size of the ASHP and ASHP Foundation digital platforms where supporters are recognized.

<b>Web</b> Total Reach: 125,000+ visitors <i>Sites: ASHP Foundation and 2021 ASHP Midyear Daily News websites</i>	<b>Email</b> Total Reach: 103,000+ unique subscribers <i>Audiences: ASHP Foundation Supporters, ASHP Members, and 2021 Midyear Registrants</i>	<b>Social Media</b> Total Reach: 107,000+ followers <i>Platforms: ASHP Foundation and ASHP Twitter and Facebook platforms</i>	<b>ASHP Learning Management System</b> Total Reach: 247,000+ registered users <i>Note: Grants and awards recipients can share their research or be recognized on platform</i>

## GRANT & RESEARCH PROGRAMS

### Residency Expansion Grant

Co-Support starts at: \$40,000

Funding Commitment Deadline: Aug. 15

*Co-sponsor to date is Merck*

FUNDING GOAL:

10 stipends

Currently funded: 3

The Residency Expansion Grant provides \$25,000 stipends to institutions to supplement the cost of a new Post-Graduate Year-1 (PGY1) or Post-Graduate Year-2 (PGY2) Residency position.

Residency training enhances knowledge and competencies that better prepare pharmacists to provide direct patient care or lead in areas such as informatics, pharmacogenomics, and health-system administration. This program is intended to help fill the gap between the number of pharmacists seeking residency training and the number of training opportunities available.

#### **Timeline**

Application Window	August–November 2022
Recipients Notified	February 2023
Awardees Recognized	May–July 2023

### Collaborative Care Grant

Co-Support starts at: \$75,000

Optimizing patient-centered, team-based care is essential to ensuring equitable, effective, and efficient healthcare. The American Nurses Foundation, which is the philanthropic arm of the American Nurses Association (ANA), and the ASHP Foundation have joined in partnership to offer \$75,000 grants to support innovative projects, co-led by nursing and pharmacy, to stimulate and demonstrate the impact of team-based care that enhances the safe and effective use of medications.

By supporting this grant and partnering with both organizations, you will elevate the visibility of your company and reinforce your brand's reputation as an industry leader. Your company will have broad exposure through the multiple channels of the combined enterprises of the ANA and ASHP.

#### **Timeline**

Application Window	July–September 2022
Recipients Notified	February 2023
Awardee Recognized	May–July 2023

### Specialty Pharmacy Research Grant (2023–2024)

Co-Support starts at: \$40,000

In collaboration with ASHP, the ASHP Foundation offers this competitive grant program to support projects focused on specialty pharmacy services that enhance the care and outcomes of patients with complex disease states.

The Specialty Pharmacy Research Grant supports research that measures patient and organizational outcomes and demonstrates the value of team-based, integrated specialty pharmacy services. Grantees will engage as a cohort to support research progress and have the opportunity to disseminate research outcomes at ASHP national meetings.

#### **Timeline**

Application Window	January–March 2023
Recipients Notified	June 2023
Cohort Duration	August 2023–June 2024

## Pharmacy Resident Research Grant

Co-Support starts at: \$40,000

The Pharmacy Resident Research Grant provides \$5,000 grants to support quality health services research focused on practice advancement conducted by residents in ASHP-accredited pharmacy residency programs.

### Timeline

Application Window	July–September 2022
Recipients Notified	January 2023

## Optimizing Technology Solutions Innovation Grant | FUNDED

Support Amount: \$75,000

Funding Commitment Deadline: May 1

Supported by Omnicell

The Optimizing Technology Solutions Innovation Grant is a competitive program that supports projects that demonstrate the impact of optimizing health information technology and digital transformation to enhance safe and effective medication use. This grant is available for inter-professional healthcare teams with a pharmacist as a principal investigator. Priority is given to demonstration projects in health services delivery that are innovative and measure outcomes, including enhanced efficiency and effectiveness of care, and improved outcomes for patients, clinicians, and organizations.

### Timeline

Applications Available	May–December 2022
Recipients Notified	February 2023
Awardee Recognized	May–July 2023
Award Payment Distributed	May 31, 2023

*This program is currently funded. If interested in learning more, please contact us.*

## LEADERSHIP DEVELOPMENT PROGRAMS

### Pharmacy Leadership Academy® (2023–2024)

Co-Support starts at: \$40,000

Co-sponsor to date is Apexus

The Pharmacy Leadership Academy® (PLA) is a highly acclaimed distance learning leadership development program taught by recognized pharmacy leaders. All seven courses include challenging readings and activities that can help effect change in the participant's organization. Graduates are eligible to use the designation of Diplomate, Pharmacy Leadership Academy (DPLA). Several affiliated colleges and universities also allow graduates to waive a certain number of credit hours towards a master's degree.

### Timeline

Applications Available and Promotions	November 2022–April 2023
Program Duration	July 2023–June 2024

### Medication Safety Scholars (2023–2024)

Co-Support Amounts: Lead Sponsor: \$60,000 |  
Contributing Sponsor: \$40,000 | Supporting Sponsor: \$20,000  
Funding Commitment Deadline: December

FUNDING GOAL:  
\$60,000 minimum

The Medication Safety Scholars program is a distance impact program where a cohort of current Doctor of Pharmacy students is paired with a recognized medication safety expert who serves as the group coach to enhance their knowledge and skills in medication safety.

As medication experts, pharmacists play a key role in optimizing the safety and quality of patient care and outcomes. While medication safety education is included in the curriculum of pharmacy schools, developing critical skills requires sustained practice, and engaging our future pharmacists is an important piece of building safer healthcare for all.

#### Timeline

Application Window	March–May 2023
Recipients Notified	June 2023
Cohort Duration	July 2023–June 2024

### Visiting Leaders Program

Co-Support Amounts: Lead Sponsor: \$80,000 | Contributing Sponsor: \$40,000 |  
Supporting Sponsor: \$20,000  
Funding Commitment Deadline: June 15

The Visiting Leaders Program sends a distinguished health-system pharmacy leader to engage with residents and preceptors during a 2-day visit to explore emerging leadership topics. Residents are challenged to lead, develop a career plan, and learn how to be successful in today's complex healthcare environment.

#### Timeline

Application Window	July 2022
Notification to Recipients	August 2022
Annual Program Duration	September 2022–May 2023

### Pharmacy Leadership Scholars™ | FUNDED

Support Amount: \$100,000  
Funding Commitment Deadline: May 1

This program is currently funded.  
If interested in learning more,  
please contact us.

*Supported by Chiesi*

The Pharmacy Leadership Scholars™ is a competitive grant program for early-stage pharmacist researchers to support research in the areas of diversity, equity, inclusion, and access to healthcare.

In addition to providing \$10,000 grants for research, each grantee participates in a distance engagement component to support their project progress, enhance their leadership and research skills, and expand the network of pharmacists positioned to lead for equity.

#### Timeline

Applications Open	May–June 2022
Recipients Notified	June 2022
Program Duration	July 2022–May 2023

## AWARDS

### Pharmacy Residency Excellence Awards (2023)

Co-Support Amount: \$30,000

Funding Commitment Deadline: April 1, 2023

*Co-supporters to date include Samson Medical Technologies and Medi-Dose/EPS*

ASHP Foundation's Pharmacy Residency Excellence Awards recognize excellence and leadership in the training and mentoring of pharmacy residents through three (3) awards: the Preceptor Award, the New Preceptor Award, and the Program Award. There is currently no other program that recognizes excellence and leadership in the training and mentoring of pharmacy residents, making this highly anticipated awards program a cornerstone of the ASHP Midyear Clinical Meeting & Exhibition each year. To learn more, visit [ashpfoundation.org/residencyawards](https://ashpfoundation.org/residencyawards).

### Literature Awards (2023)

Support Amount: \$50,000

Funding Commitment Deadline: April 1, 2023

Since 1971, the ASHP Foundation has annually recognized significant contributions to the literature of pharmacy practice in health systems through the Literature Awards. This awards program, comprised of one (1) award each for five (5) literature categories, is one of the most sought-after awards in pharmacy and is the highest professional recognition for pharmacists publishing in health-system pharmacy and other medical journals. The program is based on the concept that recognition through awards stimulates research and fosters improvement in the quality of published professional articles. To learn more, visit [ashpfoundation.org/literatureawards](https://ashpfoundation.org/literatureawards).

#### Awards Timelines

Application Window	April-June 2023
Application Review, Selection and Approval	June-August 2023
Notification to Recipients	September 2023
Notification of Recipients to Supporter	October 2023
Award Recognition Events (Midyear)	December 2023
Awardee Dissemination Activities	Spring 2024

*The 2022 awards programs are already underway.  
Awardees will be recognized at the 2022 ASHP Midyear Clinical Meeting & Exhibition.  
To sponsor the ASHP Foundation's Midyear events, please see pg. 8 for details.*

## ADDITIONAL ASHP FOUNDATION SPONSORSHIPS

### ASHP Foundation Donor Match Campaign

**Co-Support Amounts: Lead Sponsor: \$50,000 | Contributing Sponsor: \$10,000**

**Funding Commitment Deadline for Maximum Recognition: Sept. 1**

*Co-supporters to date include Alexion, Fresenius Kabi, Omnicell, QuVa Pharma, and Samson Medical Technologies*

The Donor Match Campaign is the ASHP Foundation's signature fundraising campaign that takes place each year from September 1 to December 31 to raise funds to support our greatest programming needs — all of which work towards improving health outcomes of patients through optimal, safe, and effective medication.

By partnering with us through this campaign, your company will have continued broad exposure across many ASHP and ASHP Foundation channels. This campaign targets ASHP's 60,000+ members for their support. Additionally, sponsorship of the Donor Match Campaign will include sponsorship of the Donor Appreciation events at ASHP's Midyear Clinical Meetings and Summer Meetings.

### ASHP Foundation Midyear Clinical Meeting Events

**Co-Support Amounts: Lead Sponsor: \$15,000 | Contributing Sponsor: \$5,000 | Supporting Sponsor: \$2,500 (name recognition only)**

**Funding Commitment Deadline for Maximum Recognition: Sept. 1**

*Co-supporters to date include Alexion, Fresenius Kabi, Omnicell, QuVa Pharma, and Samson Medical Technologies*

The ASHP Foundation's Midyear events, which include an awards reception on Sunday, an evening cocktail reception on Monday, and a morning breakfast reception on Tuesday, are our opportunities to thank donors for their support and to celebrate the work of pharmacists and the pharmacy workforce. Each year, these events are engaging and highly anticipated, making them must-attend events which are open to all Midyear attendees, including hundreds of ASHP leaders and members.

### ASHP Foundation Summer Meetings Reception (2023)

**Co-Support Amount: \$7,500**

**Funding Commitment Deadline: April 1**

*Co-supporters to date include Alexion, Fresenius Kabi, Omnicell, QuVa Pharma, and Samson Medical Technologies*

The ASHP Foundation Summer Meetings Reception provides an opportunity for attendees, industry leaders, and ASHP leadership to make connections in a relaxed environment and pause from the Summer Meetings rush.

### ASHP Foundation Virtual Donor Appreciation Event (2023)

**Co-Support Amount: \$5,000**

**Funding Commitment Deadline: Nov. 1**

*Co-supporters to date include Alexion, Fresenius Kabi, Omnicell, QuVa Pharma, and Samson Medical Technologies*

Each February, the ASHP Foundation hosts a virtual donor appreciation event that is open to all supporters and ASHP members, and the event provides an additional engagement opportunity for those who may not attend the ASHP national meetings.

*Additional Midyear Clinical Meeting and Summer Meetings sponsorships may be available.  
Please contact us for more information.*

## ASHP NATIONAL MEETINGS SPONSORSHIPS

### ASHP Presidents' Dinner

Support Amount: \$50,000

Funding Commitment Deadline: Aug. 1

*Event Date: Dec. 6, 2022*

*Event Location: 2022 ASHP Midyear Clinical Meeting & Exhibition in Las Vegas, Nevada*

The Presidents' Dinner is a highlight of the Midyear Clinical Meeting and recognizes the past presidents of ASHP and the current presidents of the ASHP state affiliate organizations. The past presidents represent the storied history of leadership of ASHP and the affiliate presidents reflect the hard work that is done by volunteers at the state level. This is the only event each year where all of these distinguished representatives of health-system pharmacy are assembled. It is a very memorable and important event.

The anticipated attendance for this prestigious event is 200. Attendees include the ASHP Board of Directors, the ASHP Senior Leadership Team, ASHP past presidents, and current presidents and executive directors from ASHP state affiliate organizations. Invitees may also bring a guest, such as a pharmacy resident or colleague.

#### **Support Benefits**

- Acknowledgment in the event invitations, on meeting signage, and in verbal remarks made during the event
- Complimentary advertising space in the Events & Awards section of the Midyear Daily News
- Two complimentary full conference registrations for the Midyear
- An invitation for four of your colleagues to attend the event and be seated at one of the lead tables in front of the room

### ASHP Best Practices Awards | **FUNDED**

Support Amount: \$50,000

Funding Commitment Deadline: Aug. 1

*Supported by Endo's TruDelivery*

The ASHP Best Practices Award in Health-System Pharmacy is an annual recognition program that fosters the development of innovative health-system pharmacy practices and services that improve the quality of patient care. The Award program recognizes outstanding practitioners in health-system pharmacy who have successfully implemented innovative programs or services that improve the quality of patient care and demonstrate best practices in health-system pharmacy.

#### **Support Benefits**

Acknowledgment of your support of the Best Practices Awards program will appear on the following:

- Best Practices website housed on the ASHP website
- Broadcast email announcement about the program and all reminder emails about the application process to all ASHP members
- All ASHP official communications about the award winners
- Broadcast email to directors of pharmacy calling for award applications
- Social media announcements about the award program
- Full-page announcement in an issue of the American Journal of Health-System Pharmacy congratulating award winners

*This program is currently funded. If interested in learning more, please contact us.*
